Required Paperwork:

- Nassau County Assessors Sheet
- Signed and sealed ¼ inch scale construction plans with zoning calculations, setbacks and volume in duplicate.
- Plot plans in duplicate
- Certificate of general liability & workman's compensation insurances, naming The Village of Old Westbury as an additional insured.
- Signed & completed SWPP form for one acre or more disturbance
- Copy of Nassau County Home Improvement License.
- Landscape Screening Plans in duplicate, for pools or tennis courts.
- Signed, original, engineer's schematic on all pools, in duplicate.
- Notarized affidavit from owner on landscape screening.
- Notarized affidavit from owner on pool fence.
- **Water service & meter pit must be upgraded and meet the Village and County requirements before a permit will be issued.**

REQUIREMENTS FOR CERTIFICATE OF OCCUPANCY:

1. Final survey (2 copies) stamped and sealed by a licensed land surveyor.
2. Electrical Underwriters' certification by village accepted agency
3. Architect's certified letter with signature and seal, stating that all phases of construction were constructed as per village approved plans. Project conforms to the N.Y. State Residential Code, International Building Code and the Village's allowable volume, zoning ordinance, structural design, strapping, hold downs, and Energy Code requirements.
4. Final inspection and approval of Building Department
5. Letter of certification of Drywells for Drainage from Engineer and/or Surveyor, stating number of installed drywells, dates and sizes of rings, dome and cover.
6. Approval of cesspool by Nassau Health Dept. (New Home)
7. Pressure test certification letter from installer.
8. Final approval from Water Department regarding upgrading of the meter pit.
9. Elevator Certification, (if an elevator is installed).
10. Completed landscaping. New homes must have a landscaping inspection done with the Building Inspector and Architectural Review Board Chairman. Landscaping must match what was originally approved.
