PROTECT YOURSELF FROM PORCH PIRATES

Package Theft Prevention Tips

[From the Old Westbury Police Department](#)

- Request specific delivery date and time from the shipper when you know that you will be home.
- Have packages delivered to a place where they can be received in person, such as the home of a trusted neighbor who is home during the day.
- Request that the shipper hold your package at its pick-up facility so you can pick it up in person at your convenience.
- Provide delivery instructions to the shipper so that packages can be left at a safe location at your home that is out of sight.
- If your employer will allow it, have packages delivered to you at your workplace.
- Consider adding a visible surveillance camera and security company sign near your front door.

Be alert! If you see something, say something!
